

Information about our MBC Kids outdoor in-person program:

- Starts Sunday, August 2
- **9am service only**
- For kids entering **1st-4th grade** in the fall. Preschoolers and Kindergarteners welcome **WITH** a parent.
- **Maximum of 15 kids.** Please pre-register, see below.
- Kids will be **dismissed after worship** at the start of the announcements and will be at the kids program for the rest of the worship service.
- **Masks:** Leaders will be wearing masks, and kids must come wearing a mask (and parents who come with preschoolers or K must wear a mask too). They will wear it as leaders and kids walk them over to the lawn between the Ed building and main building. We will offer them a break from their masks when they are socially distanced during the lesson. They will wear it during games, and we will strive to keep them socially distanced during games as well. Kids will sit or stand in their hula hoop for the duration of the program. Hula hoops will be spaced approximately 6 ft apart.
- **Pre-registration:** when you register for the Sunday service, register your child and write in the memo: will be attending kids programs. Upon arrival, check in your kids where the adults also check in.
- **Pick up:** the same adult who checks in the kids must be the one to pick up. Pick up at the lawn between the Ed building and the main building.
- **Note:** please note that we will not be able to do a bathroom break or provide water for the kids. Please make sure they take a bathroom break before coming to our kids programs as needed, and please provide them with water afterwards. Thank you for understanding.
